Dear colleagues!!

We invite you to participate in the International Scientific and Practical Conference **"Modern aspects of microbiology, virology and biotechnology in wartime and post-war period"**. The event will take place on November 15-16, 2023, in the conference hall (the third floor) of the D.K. Zabolotny Institute of Microbiology and Virology of the National Academy of Sciences of Ukraine.

The conference program is in the attached file.

Zoom link for remote participation:

Meeting ID: 774 433 6892

Passcode: 2023

The schedule allows up to 15 minutes for plenary presentations and up to 10 minutes for section presentations. Up to 5 minutes are allocated after each presentation for questions and discussions. Presentations in Microsoft PowerPoint format are provided by participants before the start of the respective session.

The poster session will take place on November 16th from 12:05 to 12:35 on the third floor of the Institute. Posters sized A3-A1 (portrait orientation) should be hung by 11:00 on November 16th.

Certificates of participation in the conference are provided upon request in PDF format.

A contest of young researchers' works will occur within the conference. The results will be published on the Institute's website after the meeting ends.

Take care of yourself and your loved ones!

With regards,
the Conference Organizing Committee
