Abstract requirements

The entire abstract is limited to one page A4. The text must be single-spaced, fully justified, and must use 12 pt Arial font. All page margins should be set at 2.0 cm.

The structure of the thesis shall include the title, the name and surname of all authors (the presenting author is underlined), the full name of institutions, the corresponding author's email address, and the text of the abstract itself.

Abstracts are accepted exclusively in English and should not contain illustrations or tables.

Authors take responsibility for the content of the abstracts, which will be checked by reviewers. Abstracts that do not align with the conference scope or do not meet the formatting requirements may be rejected by the organizing committee.

Poster Formatting

The poster should be size A3 – A1 in portrait orientation.
